1 of 2 people found the following review helpful. A great source for helpBy Charles StaruchAs a complete newbie in this particular area, I found this book to be very informative and easy to follow.I liked the way the author led the reader from 's beginning to the different areas to possibly start a new business with .I highly recommend this book!! Income: How Anyone of Any Age, Location, and/or Background Can Build a Highly Profitable Online Business With 0 of 1 people found the following review helpful. shippingBy Peggy B.I received book promptly and in good condition.Lots of great information! This will assist me in getting the best on the site.7 of 9 people found the following review helpful. book reviewBy cjh2801This book is very basic and does not really go into the details that you will need to build your business.

The Internet affiliate program industry is one of the largest and fastest growing digital revenue generators in the world, with more than \$65 billion in total income brought in recently. It is because of programs like Amazon's Associate program, which has been around for more than a decade, which allows casual, every day users of the Internet to install widgets and links on their Web sites that link back to Amazon products. Users like you can earn commissions of up to 15% on products that your Web site visitors purchase when they visit Amazon. With the world's largest online retailer as a potential source of income, you can generate endless streams of income as a result.No matter where you are from, how old you are, or what your background is, you can build and run a highly profitable business with Amazon. This detailed book is written to show you exactly how you can learn to be an Amazon guru in just a matter of weeks, making unfathomable amounts of money by selling Amazon products, your own products, starting a store, promoting outside projects, and making referrals.In this book, you will learn how the Amazon business model works and how much money they will pay you in various ways. You will learn how to build a traffic funneling Web site with dozens of free tools such as blogs, podcasts, videos, and social media that help you increase the number of visitors you can send to Amazon for minimal investment. You will learn how to take advantage of the Amazon Kindle program and its revolutionary take on digital distribution of books and newspapers. You will learn what you can do to start your own store in the Amazon Marketplace, selling products at set prices to anyone in the world in much the same way you could on eBay with much more freedom.Learn how to publish your own books on Amazon with little to no investment and use features Amazon provides, such as Search Inside and digital distribution to reach more people faster. Learn how you can take advantage of multimedia services on Amazon such as Advantage that allow you to publish your own music, videos, and professional titles around the globe. Learn how to use Amazon Connect effectively to promote your products and reach potential customers and how Amazon provides more methods for advertising your products without outside investments.You will learn how to choose a niche to market towards and what you need on your Web site to make your visitors more willing to click your links and purchase the products you are promoting. Extensive research and interviews with top Amazon associates and independent authors give advice that will ensure your marketing and promotion methods allow you to generate traffic, promote products, and convert sales at a rate that will help you build a successful business quickly. Atlantic Publishing is a small, independent publishing company based in Ocala, Florida. About the AuthorDuring her years as a communication consultant for nonprofit and business clients, Sharon L. Cohen watched and appreciated the rise of the Internet as it affected and changed the world. Once spending most of her time publishing print marketing and information materials and books for nonprofit organizations and corporations, she now communicates online to complete writing projects for businesses, offer grammatical and literary advice to students, interface with newfound associates and old friends worldwide, and find answers to arcane research questions with several Google clicks. With a passion for writing and reading, she has spent many a day visiting and working in libraries and perusing and ordering books from . She continues to watch with appreciation the way the Internet may be used to enhance world communication and shared learning and bring education and literacy to the global village. Cohen is the author of Yahoo Income, Income: How Anyone of Any Age, Location, and/or Background Can Build a Highly Profitable Online Business with and 199 Internet-Based Businesses You Can Start with Less than One Thousand Dollars: Secrets, Techniques, and Strategies Ordinary People Use Every Day to Make Millions, also published by Atlantic Publishing Group.
