Patrick J. Comiskey : American Rhone: How Maverick Winemakers Changed the Way Americans Drink before purchasing it in order to gage whether or not it would be worth my time, and all praised American Rhone: How Maverick Winemakers Changed the Way Americans Drink:

1 of 1 people found the following review helpful. Great wine book in time for Holiday GiftingBy Timothy S. McdonaldAmazing and very thoughtful wine book on one of my go to blend of varietals! Well done thorough and a enjoyable read! You will be pleased! Cheers to American Rhones wines!0 of 0 people found the following review helpful. California gold!By JSG33My favorite wines. Familiar with a number of the winerys. History as told through the fascinating unique wine makers. A book for the truly committed. A good read.0 of 0 people found the following

review helpful. Five StarsBy Thomas R. HillA very well-researched and well-written book. An absolute must-read for anyone with an interest in wine.

"Thoughtfully conceived and very well written, this is essential somm reading."mdash;The Somm Journalnbsp;"This is the most important wine book of the year, perhaps in many years."mdash;The Seattle Timesnbsp;"Crisply written, impeccably researched, balanced if fundamentally enthusiastic, scholarly but accessible, and full of unexpected details and characters."mdash;The World of Fine Winenbsp;No wine category has seen more dramatic growth in recent years than American Rhocirc;nendash;variety wines. Winemakers are devoting more energy, more acreage, and more bottlings to Rhocirc;ne varieties than ever before. The flagship Rhocirc;ne red, Syrah, is routinely touted as one of Californiansquo;s most promising varieties, capable of tremendous adaptability as a vine, wonderfully variable in style, and highly expressive of place. There has never been a better time for American Rhocirc;ne wine producers. nbsp;American Rhocirc;ne is the untold history of the American Rhocirc;ne wine movement. The popularity of these wines has been hard fought; this is a story of fringe players, unknown varieties, and longshot efforts finding their way to the mainstream. Itsquo;s the story of winemakers gathering sufficient strength in numbers to forge a triumph of the obscure and the brash. But, more than this, it is the story of the maturation of the American palate and a new republic of wine lovers whose restless tastes and curiosity led them to Rhocirc;ne wines just as those wines were reaching a critical mass in the marketplace. Patrick J. Comiskey's history of the American Rhocirc;ne wine movement is both a compelling underdog success story and an essential reference for the wine professional.

"Thoughtfully conceived and very well written, this is essential somm reading."
