**D. Das : An Enquiry into the Asian Growth Model** before purchasing it in order to gage whether or not it would be worth my time, and all praised An Enquiry into the Asian Growth Model:

During the post-World War-II period, several Asian economies turned in stellar performances. This book addresses the all-important query regarding the ebullient growth performance of a group of dynamic Asian economies. Its principal focus is the so-called Asian growth model, which enabled them to achieve what became known as the 'miraculous'
