I have read many , but this book helped me create one list for all interviews for my company. It helped me narrow down the most important questions

to ask when seeking those who are the right match for us. 1 of 1 people found the following review helpful. Need to evolve with each addition. By dsingh Informative and exhaustive, but needs to change with the times. Interviews are far less formal than made out to be, and it's nobody's business to judge you by your clothes, shoes, chappals, earrings or whatever. The most brilliant sometimes have their fads, it's ok. 0 of 0 people found the following review helpful. Great book. By Patrick55 This book is written from the interviewer's perspective. The book details the answers the interviewer is looking for from prospective employees. This book helped my wife secure a higher paying position in the current difficult economy.

In this completely updated new edition, the best-selling author of *101 Great Answers to the Toughest Interview Questions* and *101 Smart Questions to Ask on Your Interview* takes you step-by-step through the hiring process.
