(SpringerBriefs in Business) before purchasing it in order to gage whether or not it would be worth my time, and all praised Assessing Social Impact of Social Enterprises: Does One Size Really Fit All? (SpringerBriefs in Business):

This book explores the diversity of Social Impact Assessment (SIA) models and outlines a self-assessment on models to support social entrepreneurs. The chapters trace the concept and origins of social entrepreneurship and elicits current implementation of SIA models by social enterprises. The comprehensive review of over seventy five SIA models will be especially useful for social entrepreneurs and researchers.

About the Author Cecilia Grieco holds a PhD in Communication, Interculturality and Organizations from LUMSA University. She was also a visiting scholar at the Erasmus University of Rotterdam during her doctoral studies.
