The book offers amazing value for money :) 1 of 1 people found the following review helpful. GreatBy Jewels1234well written and very nice structure to this book. I've coached for over 9 years and this matches the training I've received and the industry standards. This is all accurate and something coaches should use! There is a lot of flaky material out there, and I'm glad this book exists to clear up some of those issues. Great read for existing coaches or those who are looking into becoming a coach. Make this your coaching bible.
