Barbara Stcherbatcheff : Confessions of a City Girl before purchasing it in order to gage whether or not it would be worth my time, and all praised Confessions of a City Girl:

0 of 0 people found the following review helpful. ConfessionBy M. O'BrienThe author did a great job of capturing how it feels to work in a male dominated environment. I probably liked it because it reminded me of my own experience working for a company that was dominated by engineers. There were many times when I was the only woman in the room. To be successful, women need to be perceived as becoming one of the boys.The author was also able to describe her situation without sounding bitter or coming off as a feminist. Its a quick read.0 of 0 people found

the following review helpful. great material for a movieBy systems galConfessions of a city girl should be made into a movie. It's a fast read and gives the flavor of the investment world during the tail end of the good days until a bit latter. It's sort of the same as biting into a great piece of chocolate cake which has a bitter aftertaste.0 of 0 people found the following review helpful. Informative but boringBy MarinaRead this book only to imagine better work at Citi. Otherwise it's boring and doesn't create any feeling of a real person behind it.

When City Girl Barbara Stcherbatcheff first stepped into the Square Mile she had no idea of the fight for survival she would face over the next five years. But despite lap dancing clubs and million dollar losses; divorce in the City and the worst recession since the 1930s, City Girl was still standing. She'd taken on the boys at their own game - and won.Fresh from writing thelondonpaper's City Girl column, Suzana S. gives us the inside track on life in the financial capital of the world. This is her story. Confessions of a City Girl tells us what really went wrong - and explains why girls are the only ones who can put it right.The trade mark 'City Girl' is used under licence from NI Free Newspapers Limited.
