Martin Oyevaar, Diego Vazquez-Brust, Harrie van Bommel : Globalization and Sustainable Development: A Business Perspective before purchasing it in order to gauge whether or not it would be worth my time, and all praised Globalization and Sustainable Development: A Business Perspective:

This textbook examines the themes of globalization and sustainability and their impact. It bridges international business, business ethics and sustainable development, exploring classic and contemporary theory and practice, whilst providing an overall picture of what it means to be a sustainable business in today's global economy.
