John Travers : Green Gold: Ireland as a Clean Energy World Leader before purchasing it in order to gage whether or not it would be worth my time, and all praised Green Gold: Ireland as a Clean Energy World Leader:

0 of 0 people found the following review helpful. Five StarsBy Jim DohertyYou cannot argue against a balloon ascension and likewise against renewable energy

While many agree Ireland can become a world leader in clean energy, therersquo;s little agreement on how. John Travers captures the challenge from an Irish perspective. He assesses, in clear terms, practical energy alternatives

to meet all our needs, achieve energy independence, and provide an opportunity for Ireland to be a world leader and global beacon of clean energy.
