readingBy CinthiaGreat reading and extremely helpful to those who would like to understand how international businesses work in a deeper level. The author seem to be very knowledgeable on the topic.

Discover proven strategies and solutions for successful participation in the global market With less than fifty percent of middle market US companies succeeding at going global, corporate executives need to know how to build effective global execution platforms that will allow their organizations to thrive in a global economy. Filled with case studies and indispensable checklists, Grow Globally guides executives in crafting an actionable global strategy that will not only stand the test of time;but that will also be on target, on budget, and on time. Reveals how to anticipate change in global decision-making and execution Explores how to identify trends and respond to differences between internal corporate culture and the target culture Includes case studies, checklists, process visuals and resources, plus a website that hosts online tools and materials As the world becomes more dependent on technology and trade borders gradually disappear, your company needs to acquire the tools and skills necessary to compete in the global market. Grow Globally presents the skills needed to build a global execution platform that will keep your organization relevant and competitive in the international landscape.
