Jerri Killian : Handbook Of Conflict Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Handbook Of Conflict Management:

The Handbook of Conflict Management cuts across theoretical perspectives, strategic models, and situational contexts

as the first all-encompassing conflict management reference. A young field in both research and practice, this foundational text sets precedents for furthering academic study and real-world progress in managing diverse instances of conflict. It draws on more than 600 references to probe sources of conflict and to prescribe means of reducing tension in organizational, institutional, and community settings. Introducing core themes and issues into the dialogue, the handbook provides techniques to promote peaceful negotiation, cooperation, and consensus.

About the Author WILLIAM J. PAMMER, JR., is Assistant Director in the Center for Urban and Public Affairs and an Assistant Professor of Urban Affairs at Wright State University. WILLIAM J.
