Thomas D. Lynch : Handbook of Organization Theory and Management: The Philosophical Approach: 66
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Handbook of Organization Theory and Management: The Philosophical Approach: 66:

0 of 0 people found the following review helpful. Five Stars By Peter L. Cruise Best book ever! 0 of 0 people found the following review helpful. Five Stars By Jean Ntayomba Great book, a must have for organizational leadership practitioners and scholars

Chronologically arranged to demonstrate the evolution of ideas, this book explores major issues in public and government organization theory using classical philosophy. Containing over 2000 bibliographic citations, the book covers the influence Plato's ideas and Jesus' teachings on public administration theory, presents Machiavelli as the creator of the modern concept of public administration, details the effect of mercantilism on political governance, examines the ideas of Jeremy Bentham, John Locke, Adam Smith, and David Hume in American government, discusses the importance of Woodrow Wilson, the Progressive Reform Era, and the Bureau Movement on public administration, and more.

About the Author THOMAS D. LYNCH is Professor of Public Administration at Florida Atlantic University.
