**John Feinstein : Hard Courts: Real Life on the Professional Tennis Tours** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hard Courts: Real Life on the Professional Tennis Tours:

0 of 0 people found the following review helpful. ExcellentBy BTAn excellent book for any tennis lover who understands that tennis was an highly entertaining sport way back before Nadal and Federer. Highly recommended.0 of 0 people found the following review helpful. Excellent book; received in fine condition.By CustomerBook was in

fine condition. I enjoy Feinstein's books and writings. Met all expectations.0 of 0 people found the following review helpful. but not Feinstein's best work.By John A BourniasA decent tennis read, but not Feinstein's best work.

The new edition of this bestseller in hardcover features never-before-published, all-new inside info on the money, personalities and politics of pro-tennis: Jimmy, Monica, Boris, Martina, et al. Now in paper.From the Trade Paperback edition.

.com Though John Feinstein made his mark writing about basketball-- A Season on the Brink is one of the top sports books ever--he's always had a love of tennis. For Hard Courts, he spent nearly 15 months interviewing the players, coaches, managers, tournament officials, agents and fans -- more than 200 people in all -- that make-up the international tennis circuit. What he found wasn't always as pretty as a Pete Sampras backhand. While Feinstein touches on the scandal and corruption that is as much a part of tennis as any other professional sport, he offers revealing profiles of the greatest players and a celebratory tribute to the sport's elegant tradition.From Publishers WeeklyIn cloth, Feinstein's panoramic portrait of big-money tennis spent six weeks on PW 's bestseller list; the paperback will contain new material on the controversial 1991-1992 tours.
