Rosa Walston Latimer : Harvey Houses of New Mexico: Historic Hospitality from Raton to Deming (Landmarks) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Harvey Houses of New Mexico: Historic Hospitality from Raton to Deming (Landmarks):

Like the Harvey Food, Harvey Houses of NM Deserves 5 Stars By Kathy Weir Rosa Latimer's writings delve into the lives lived within the Harvey Houses of New Mexico. Through extensive research and interviews, she gives you a taste of what it must have been like to leave the big city or a small

town to become a Harvey Girl. By the end of the book you have learned the current state of each Harvey House. Sadly most of them are no longer with us. Her previous book, *Harvey Houses of Texas* started the ball rolling. New Mexico is second in the series. Kansas is next. The one I am personally looking forward to is the Arizona book, my home state. If you love history, the West, the railroads and the courage of single women, I highly recommend adding this book to your personal library. 1 of 1 people found the following review helpful. Interesting Non-Fiction By J. Barnes Thoroughly researched and lovingly written, this is an interesting tribute to the Harvey Girls. 0 of 0 people found the following review helpful. Five Stars By Robert Eveleth superb item exactly as described and fast service. Many thanks.

The Santa Fe Line and the famous Fred Harvey restaurants forever changed New Mexico and the Southwest, bringing commerce, culture and opportunity to a desolate frontier. The first Harvey Girls ever hired staffed the Raton location. In a departure from the ubiquitous black and white uniform immortalized by Judy Garland in 1946's *Harvey Girls*, many of New Mexico's Harvey Girls wore colorful dresses reflective of local culture. In Albuquerque, the Harvey-managed Alvarado Hotel doubled as a museum for carefully curated native art. Join author Rosa Walston Latimer and discover New Mexico's unique history of hospitality the Fred Harvey way.

About the Author Rosa Walston Latimer is a writer, independent bookstore owner, playwright and award-winning photographer. Inspired by her Harvey Girl grandmother, this is Latimer's second book on the Harvey legacy, following *Harvey Houses of Texas*. Her research has also appeared in "Texas Highways," and a staged play based on her grandmother's chance encounter at a Harvey House with the man she would one day marry. Latimer is currently writing a play titled "Rosie the Riveters" and a third Harvey House book.
