Jody Butterfield, Sam Bingham, Allan Savory : Holistic Management Handbook: Healthy Land, Healthy Profits before purchasing it in order to gauge whether or not it would be worth my time, and all praised Holistic Management Handbook: Healthy Land, Healthy Profits:

Holistic management, as described by Allan Savory in the books *Holistic Resource Management* (Island Press, 1988) and the revised edition, *Holistic Management* (Island Press, 2001), has been practiced by thousands of people around the world to profitably restore and promote the health of their land through practices that mimic nature, and by many others who have sought a more rewarding personal or family life. *Holistic Management Handbook* offers a detailed explanation of the planning procedures presented in those books and gives step-by-step guidance for implementing

holistic management on a ranch or farm.
