**Cheryl Carter New, James Aaron Quick : How to Write a Grant Proposal (Wiley Nonprofit Law, Finance and Management Series)** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Write a Grant Proposal (Wiley Nonprofit Law, Finance and Management Series):

6 of 6 people found the following review helpful. One of the best text's I've purchasedBy FrenchiePerfect for beginning grant writers. This book is definitely an investment. It outlines simple ways to construct a grant proposal. It's straight to the point and very user friendly. As with any grant you plan to write, use this book for general referencing and ALWAYS follow the guidelines provided from the actual grant funder (will save you a lot of time and

headaches)!4 of 5 people found the following review helpful. How to write a grant proposalBy RobertjgahwilerjrThis books names is true to what it does. It gives you solid examples on how to write a good grant proposal and helps you develop one step by step. It is long but the book tries to cover just about every detail you may need to know. You can use this book as a good way to help you not only write that grant but follow up on it as well. The book explains things like how to use that grant money you got from a donor from budgets to programs. It gives examples related to non profit, law, finance and management. I believe this book is a good book to have if you need to write a grant proposal.0 of 0 people found the following review helpful. Five StarsBy Mia TylerThe description given is spot on. This book appears brand new!!!!

Step-by-step guidance on how to write effective grants that get the funding you need. Complete with examples of fully-completed proposals, you'll also get an easy-to-use companion website containing guide sheets and templates that can be easily downloaded, customized, and printed. The authors provide examples of completed proposals and numerous case studies to demonstrate how the grant-seeking process typically works. Order your copy today!

From the Back CoverEffective grant proposals are not so much written as they are extensively researched, developed, and positioned. The actual writing, obviously an essential component, is nevertheless only the tip of the iceberg. Grant seekers must possess the necessary skills to correctly identify potential funders, craft a proposal that meets a specific funders needs, and follow that funders directions to the letter. Cheryl New and James Quick take grant seekers step-by-step through the entire development and drafting process in *How to Write a Grant Proposal*. The authors concentrate on all the behind-the-scenes, pre-writing work that makes the difference between successful grant proposals and those that potential funders discard as "nonresponsive." New and Quick concentrate on crafting specific proposals that prove a perfect match between a funder and a solicitors needs. Funders and the nonprofit organizations they support are both in the business of solving problems; the key is creating a project that addresses a problem that both parties are interested in solving. *How to Write a Grant Proposal* provides targeted guidance for a variety of kinds of organizations, including: 12 private and public educational organizations Government agencies For-profit businesses Health care organizations Traditional nonprofits Higher education universities and centers A companion website contains guidesheets and templates that can be easily downloaded, customized, and printed. The authors provide examples of completed proposals and numerous case studies to demonstrate how the grant-seeking process typically works. *How to Write a Grant Proposal* proves a one-stop resource on how to interpret a funders guidelines to create a successful grant proposal.About the AuthorCHERYL CARTER NEW and JAMES AARON QUICK are the sole owners and directors of Polaris Corporation. Polaris teaches grantsmanship to nonprofit organizations (The United Way National Training Center, the Non-Profit Center, and the Kellogg Foundation), primary and secondary schools, and for-profit and nonprofit healthcare facilities using three primary mediums: workshops, consulting services, and resource publishing. They lead over 100 workshops that have taught more than 4,000 people per year how to develop and plan projects, research funders, and write grants.
