T V Rao : HRD Audit: Evaluating the Human Resource Function for Business Improvement before purchasing it in order to gauge whether or not it would be worth my time, and all praised HRD Audit: Evaluating the Human Resource Function for Business Improvement:

HRD Audit provides a framework and methodology that enables corporations to conduct an internal audit of their human resource function. T V Rao presents a unique HRD (human resources development) score card approach that organizations can use to assess and benchmark their level of HRD and its alignment with business goals. This

accessible book is illustrated throughout with examples, illustrations, cases, detailed questionnaires and checklists.
