For three decades, this text has been the leading introduction to HRM for students at all levels, including those on CIPD-accredited courses. It is renowned for its readable and engaging style making studying more efficient. Comprehensively covering all major areas of the field, this edition has been updated with the issues and debates facing HRM today. Its key features include:nbsp; case studies that contextualise theory in well known organisations such as Rolls Royce, McDonaldsquo;s and the BBC World Service integrated activity and discussion boxes to encourage deeper thinking and understanding of each chapter skills content to help develop the specific employability skills

necessary for a successful HR practitioner.
