Kevin Owens : So Amazing: Through The Eyes Of Kevin Owens before purchasing it in order to gage whether or not it would be worth my time, and all praised So Amazing: Through The Eyes Of Kevin Owens:

4 of 4 people found the following review helpful. Wow I read about my favorite singer!By All That JazzAfter seeing Ray, Goodman, and Brown in concert, Kevin OWENS said he wrote a book about his relationship with Luther Vandros. I couldn't wait to get it. Kevin OWENS has produced a great story about himself and his relationship with the amazing Luther Vandros. I loved reading every bit of it and realize how well loved Luther was in his inner circle as well as his millions of loyal fans. He was such a wonderful soul and his voice was ever more wonderful! What a loss for the world.3 of 3 people found the following review helpful. So Amazing....By Ronny2015The book comes as

a breath of fresh air to all the hard-core Luther Vandross fans out there because it is hard to come by any material documentary, concert or written material on our beloved legendary performer. The book chronicles the tours of Luther which we all loved so much. It also goes beyond the tours and even explains some of the studio sessions behind the Luther albums which took us through various situations. In addition the book talks about the illness of Luther. As much as it was a painful period for all fans new and old it comes as a form of closure to finally get to hear what went on behind the hospitals and all. It is also healing in that the book shows that Luther did not go through his final struggle alone. However, the book could have included more flesh on the Luther concerts for instance the playlists for each tour as well as the reaction of the fans especially women. 0 of 0 people found the following review helpful. Kevin Owens gives good insight into the music industry. By Maria B. Good insight into the industry, Luther's entourage, and related artists. I ended up googling a lot of people mentioned in the book to see what they're doing now, and who else they have worked with. It was a good education if you love Luther, Lisa Fischer, Ava Cherry, and of course Kevin. It is not a trashy tell-all, and you can tell how much Kevin respected Luther and other artists. Would have given it a five, however there were a ton of grammatical errors. Made me think it was poorly edited. Easy reading on the Kindle. I don't know why the hard copy is so incredibly expensive.

So Amazing (Through The Eyes of Kevin Owens) is a book written by Kevin Owens that shares the hidden, the forgotten, the unknown and the real truths behind scenes while on the road with the legendary Luther Vandross. Kevin toured with Luther for over 21 years as not only a backup-singer but also a true friend to the legend. Through the Eyes Of Kevin Owens; you will witness a journey that shares in on the true stories of the conflicts behind the scenes that were rumored between other performers and Luther while on his tours. Kevin points out the drive and passion Luther had for his artistry and the respect he embraced for the talents of others around him. His Fans were his inspiration. He would not cease in sparing any expense when it came to presenting a successful tour for his fans. This Book is a labor of love in the hopes that the great musical and performance legacy of the great Luther Vandross will resonate from generation to generation for years to come. What a Way To Celebrate His Life

About the Author Kevin Owens, aka Kevin Ray Owens, started his musical career at the tender age of five first performing in front of his kindergarten class in 1960. From that day forward, Kevin knew what he wanted to do. He auditioned and won several parts with the Theatre East Children's Theatrical Touring Company. From there, Kevin found himself involved in a host of musicals throughout New York City. Kevin attended the High School of Performing Arts in New York City where he majored in drama and dance. After a successful career in music, Luther Vandross asked Kevin to join his entourage and Kevin has been with Luther Vandross and Ray, Goodman, and Brown for the last two decades. Over the years, Kevin gained experience in the industry as a producer, performer, and businessperson. He has performed with some of the industry's most popular artists including Melissa Manchester, Elton John, Michael Jackson, Aretha Franklin, James Ingram, Regina Belle, Lou Rawls, Patti Labelle, Nona Hendrix, and many others.
