Sharon K. Koss : Solving the Compensation Puzzle: Putting Together a Complete Pay and Performance System (Practical HR) before purchasing it in order to gage whether or not it would be worth my time, and all praised Solving the Compensation Puzzle: Putting Together a Complete Pay and Performance System (Practical HR):

1 of 1 people found the following review helpful. Solving the Compensation PuzzleBy kidSolving the Compensation Puzzle: Putting Together a Complete Pay and Performance System (Practical HR)Don't purchase this for the Kindle

there is not an access code to use any of the forms which I need for class. I am really disappointed that I didn't look at this prior to purchasing. Too late to get it before my class ends. Unless someone knows how to access the code. Help how do I get the access code!! 0 of 0 people found the following review helpful. I needed assistance in structuring our compensation at work. ...By Customer I needed assistance in structuring our compensation at work. This was a big help in building a new comp plan! 0 of 0 people found the following review helpful. Three Stars By Customer It is worth money, but it doesn't have page numbers in the kindle version .

Whether creating a new system or filling in the gaps in an established business, this resource acts as a practical tool for dealing with compensation in the workplace. Linking pay and performance, this guidebook demonstrates how to improve a salary administration program and includes facts sheets, templates, and sample forms that can be customized to meet each organization's unique requirements.
