Steve Frosdick, Lynne Walley : Sports and Safety Management before purchasing it in order to gage whether or not it would be worth my time, and all praised Sports and Safety Management:

Sport and Safety Management is a comprehensive and practical handbook for all involved with the safe management of sporting events. Disasters such as Hillsborough have concentrated managers' minds on public safety and crowd control at all major events. Sport and Safety Management provides necessary advice and guidance for all such managers. Contributions from leading academics and practitioners in the sports management field, bring together all the strands of research, best practice and advice for managing the safety of all sports stadia.Sport and Safety Management is ideal for practitioners, planners and all those studying or interested in the subject. Whilst focusing on the British experience, this book is an essential source of learning for the international world of public assembly

facilities management. Steve Frosdick is a company director and a Visiting Fellow at the University of Bradford Management Centre. He is a Member of the International Institute of Risk and Safety Management and an Associate Member of the Football Safety Officers' Association. Lynne Walley is an academic lawyer with interests in criminal law and juvenile offending. She is the Deputy Head of the Centre for Public Services Management and Research at Staffordshire University.

'I was interested to read Steve Frosdick and Lynne Walley's recent book on Sport and Safety Management. I feel sure it will be a useful reference tool for all those involved in sports grounds safety.' Tony Banks MP, Minister for Sport 'A useful reference source for sports ground safety managers' Safety Management, January 1998 'Facility managers with responsibility for safety management will want to read the case studies and academic analysis in this book. Those providing services to the stadium industry will also find much to inform their work, such as backgrounders on safety organizations and detailed references to safety documentation. It's good to see that a leading publisher can support this important part of our industry.' International Magazine of Arena Construction and Management, February 1998 'Sport and Safety Management is a comprehensive and practical handbook for all involved with the safe management of sporting events.' SBA About the Author Steve Frosdick is a company director and a Visiting Fellow at the University of Bradford Management Centre. He is a Member of the International Institute of Risk and Safety Management and an Associate Member of the Football Safety Officers' Association.
