Heather Smith Thomas : Storey's Guide to Raising Horses, 2nd Edition: Breeding, Care, Facilities (Storey's Guide to Raising) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Storey's Guide to Raising Horses, 2nd Edition: Breeding, Care, Facilities (Storey's Guide to Raising):

4 of 4 people found the following review helpful. Book review By Suzzee I found this book very helpful and enjoyable

to read (easy read). It is wrote for a someone who knows little about horses, which is what I am. I plan to use many of the techniques and as in all help books it is trial and error to see what works with animals. I was very happy that the safty issue was put on such a high level, since these are big boys I am dealing with. This is a must read for all begginers. The book arrived before the date and was in excellent condition, way to go !0 of 0 people found the following review helpful. Great introBy Willard SchlabachGreat intro, these books have always been solid. I have come to love them as reference books. Three more words.0 of 0 people found the following review helpful. Great equine bookBy God's ChildLots of great information. Would like some more pictures with explanations.

Raising horses successfully requires good preparation, hard work, and a sincere interest in your animalsrsquo; well-being. With in-depth information on all aspects of horsekeeping, including grooming, foaling, housing, diet, exercise, and medical care, this comprehensive guide covers everything you need to know to raise healthy and happy horses.

" Heather's mastery of subject matter can be best attributed to her first-hand experience as a horsewoman. Everyone likes to hear it straight and Heather never misses." -- Kevin Ludden "The Arabian Horse Times"From the Back Cover
