Kelly Klober : Storey's Guide to Raising Pigs, 3rd Edition: Care, Facilities, Management, Breeds (Storey's Guide to Raising) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Storey's Guide to Raising Pigs, 3rd Edition: Care, Facilities, Management, Breeds (Storey's Guide to Raising):

3 of 3 people found the following review helpful. tons of good, helpful informationBy Nick F.If this rating were for

content of the book only I'd give it 5 stars....tons of good, helpful information. However, I gave it 3 stars for the layout, it's a hard book to follow. Chapters don't flow together very well. It's almost as if the author wrote each chapter, then shuffled them up and sent it to the printer that way!2 of 2 people found the following review helpful. This wasn't the best of "Storey's Guide" books that I have gotten in ...By JudyThis wasn't the best of "Storey's Guide" books that I have gotten in the past. I didn't think it had a lot of hard core facts and knowledge in it but rather seemed like it was this one person's opinion and he seemed very opinionated. More story telling than informative facts.0 of 0 people found the following review helpful. another good Storey's guide bookBy CustomerI felt this book gave me the info I needed to raise pigs successfully
