From Pfeiffer : Strategy-Driven Talent Management: A Leadership Imperative (J-B SIOP Professional Practice Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Strategy-Driven Talent Management: A Leadership Imperative (J-B SIOP Professional Practice Series):

0 of 0 people found the following review helpful. This was used in a class for my graduate studies and really made good use of itBy Rosetta BetheaWhen I received this book, I never thought that I would get through it. Turns out I was

wrong. This was used in a class for my graduate studies and really made good use of it. 0 of 0 people found the following review helpful. The book is great! However, the digital translation of the images is poor. Some are very difficult to read due to the size and when you enlarge them they become illegible. Unfortunately I feel that I will need to purchase the print copy in addition to the digital copy. This is my first attempt at purchasing a digital textbook and I am not sure I will do it again based on this experience. 1 of 1 people found the following review helpful. Good information, but needs improvement. By SmROk book. Good information if you need to focus on top managers. Not helpful for entry level managers or hourly employees. I would have liked a section discussing how to work with future leaders who are currently low on the ladder. The e-version was easy to read through. Having only locations and not page numbers made it very difficult to reference. The subject index was not useful, as it did not list locations or was clickable to take me to the location.

A Publication of the Society for Industrial and Organizational Psychology Praise for Strategy-Driven Talent Management "Silzer and Dowell's Strategy-Driven Talent Management provides a comprehensive overview of the different elements of the best talent management processes used in organizations today. This is a valuable resource for leaders and managers, HR practitioners and anyone involved in developing leadership talent." —Ed Lawler, Professor, School of Business, University of Southern California "Talent is the key to successful execution of a winning business strategy. Strategy-Driven Talent Management by Silzer Dowell provides a thorough and very practical guide to building and managing talent based on the strategic needs of the organization. Business leaders will find this an excellent resource with many interesting examples and best practices from leading companies." —Herbert L. Henkel, Chairman and Chief Executive Officer, Ingersoll Rand "Thanks to Strategy-Driven Talent Management, we can move from an attractive idea of talent management to practices that deliver. This book brings the work of practitioners—the people who are inventing, crafting, and shaping the field of talent management—to the forefront. Their collective experiences and insights will certainly enrich your own research and practice." —Cynthia McCauley, PhD, Senior Fellow, Center for Creative Leadership "It is exciting to see that Rob Silzer and Ben Dowell have given us the state of the art in 2010 of integrating human resource issues into strategic management. This volume is a must read for human resource and line leaders alike. The journey is far from over, but this volume of work will chart the course for further progress." —Noel Tichy, Professor, Management and Organizations, University of Michigan, Ross School of Business
