0 of 0 people found the following review helpful. Easy read and a good primerBy CustomerRead it as part of Corporate Strategy module during MBA. Provides a good primer and a starting point for students looking to dive deeper into the world of business strategy. Contains lots of good examples particularly from Asia. It also provides a nice easy framework to get you started on preparing your first business strategy.

In order to achieve success, managers need to understand the strategic issues in Asia. *Strategy for Success in Asia* covers areas from the uniqueness of Asia like its economic and cultural diversity to the roles of governments and the importance of alliances. One of the first books to offer a perspective effective company strategy and how local and multinational companies can achieve strategic success in Asia. This important book is for anyone who has a stake in Asia or has plans to do business in it.
