The must-read summary of Tim Burns' book: "Entrepreneurship.com: How to Create a Winning Dot-Com Business Plan". This complete summary of the ideas from Tim Burns' book "Entrepreneurship.com" shows that the

days of preparing highly detailed, 100-page business plans are over. In the new economy, change is happening constantly. Therefore, a more flexible type of business plan is required which is concise, flexible enough to permit modifications to be made along the way and focused on one key point — how profitability will be achieved. This is the essence of "The e-Plan". In just 10 PowerPoint slides, an executive summary and as much narrative as required, the e-Plan conceptualises the business strategy and model. It encapsulates what the business proposes to do. As circumstances change or new opportunities arise, e-Plans can be adapted quickly and simply. In this practical guide, Tim Burns offers the keys to make a winning e-Plan. The e-Plan is a new generation business plan, optimised for the demands of the Internet business era. Added-value of this summary:

- Save time
- Understand key concepts
- Increase your business knowledge

To learn more, read "Entrepreneurship.com" and discover valuable insights and fresh ideas for engaging in e-business projects.
