Dick Grote : The Performance Appraisal Question and Answer Book: A Survival Guide for Managers before purchasing it in order to gage whether or not it would be worth my time, and all praised The Performance Appraisal Question and Answer Book: A Survival Guide for Managers:

0 of 0 people found the following review helpful. Three StarsBy James OsborneGood product.8 of 8 people found the following review helpful. a no-nonsense approach to performance appraisalsBy Anthony PadgettI found the book very easy to follow, and the principles and concepts were down-to-earth. The author gives a no-nonsense approach in

performance appraisals, using common-sense and throws out all the other HR mumbo-jumbo. He also lays out a good argument for tying the PA to the company's objectives and missions, ideas on employee motivation (forget the "employee of the month" ideas), how to deal with difficult reviewees (those who just don't understand how their performance is bad), and the best way to handle performance planning meetings at the beginning of the year and the importance of these. 0 of 0 people found the following review helpful. PracticalBy rmstephGreat questions for a performance review. I would recommend this for Personnel staff.

nbsp;"Most managers hate conducting performance appraisal discussions. Whatsquo;s worse, few feel confident in their ability to accurately assess the performance of a subordinate. In The Performance Appraisal Question and Answer Book, expert Dick Grote answers over 100 of the most common -- and most difficult -- questions about this vitally important but often misunderstood and misused tool, including:* How should I react when an employee starts crying during the appraisal discussion . . . or gets mad at me?* Which is more important -- the results the person achieved or the way she went about doing the job?* Is there such a thing as a perfect performance appraisal form?Many of the answers include a Hot Tip or Red Flag: a note to the reader making a particularly insightful suggestion. This book helps supervisors and HR professionals ease the pain of performance appraisal and use the process effectively."

"This book is highly recommended for the organization or manager seeking to become more comfortable with the appraisal process." -- TRAINING, Minneapolis, MN April 2003..shows how to make the process productive rather than painful...targets managers,provides valuable insight for employees on the process, too. -- Dayton, Ohio News, June 24, 2002Superb guide establishing implementing a performance appraisal system in a small or large company,steering you through all the pitfalls -- The Globe Mail Toronto The Globe Mail (Toronto): "...a superb guide to establishing and implementing a performance appraisal system in a small or large company, steering you through all the pitfalls." About the AuthorDick Grote is one of America's best-recognized authors, consultants, and speakers on performance appraisal. He is the author of Discipline Without Punishment (AMACOM: 0-8144-0276-3) and The Complete Guide to Performance Appraisal (AMACOM: 0-8144-0313-1). His articles have appeared in Harvard Business and The Wall Street Journal.
