**Benedicte Vibe Christensen : The Russian Federation in Transition: External Developments (Occasional Paper, 111)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Russian Federation in Transition: External Developments (Occasional Paper, 111):

This paper examines the effects of three "shocks" - the disintegration of the U.S.S.R., domestic economic reform, and changing relations with other countries- on Russia's balance of payments position. The importance of consistent economic reform and a liberal trade regime is stressed, together with the role of financial assistance.
