A new, revised and completely updated edition of the bestseller about what it takes to be an effective and inspiring leader - from the author of the *The Tao of Coaching Leadership* can be learned. This practical and compelling guide offers the tools and techniques to help you build the necessary skills. It will enable any manager and executive to hone their skills in leading teams, departments, divisions and indeed whole corporations. At a time when leadership is not the exclusive territory of the CEO - each of us is placed in a position of having to lead something at sometime - this book is relevant to practically anyone, especially those who are in positions of management or aspire to it. Landsberg argues that anyone who personally engages with his team to create Vision and Inspiration and Momentum will almost certainly be regarded as a leader. This book shows you how to do that.
