Kirstie Clements : The Vogue Factor: The Inside Story of Fashion's Most Illustrious Magazine before purchasing it in order to gauge whether or not it would be worth my time, and all praised The Vogue Factor: The Inside Story of Fashion's Most Illustrious Magazine:

1 of 1 people found the following review helpful. Loved it- would certainly recommend!By Arianna LevesqueThis book was certainly an A+ book for anyone interested in working in the fashion industry. It had insight into her own entertaining life, as well as her journey through getting started at Vogue. I absolutely loved it, and would recommend it to anyone looking for a fashion industry based book that is entertaining and not just factual.0 of 0 people found the following review helpful. Five StarsBy Francisco Jose Valderrama Bejaranook0 of 0 people found the following review helpful. OKBy DCRGThe first half of the book is pretty interesting then she just starts naming names....

This addictive tell-all exposes the cutthroat culture of the world's most revered fashion masthead. Kirstie Clements started at the front desk answering phones for Vogue Australia. Years of hard work, risk-taking, and determination landed her at Editor-in-Chief. This is the story of her rise to the top. Of photo shoots in the jungles of Africa, clamoring for a spot at Fashion Week, celebrity interviews, deadlines, exotic travel, betrayals, and the danger inherent in the relentless pursuit of beauty. At once a career success story and a raw expose on the international fashion world, *The Vogue Factor* glitters with personality and is an unputdownable read for the fashion-obsessed; and anyone who wants to know what really happens at Vogue.

About the Author Kirstie Clements started at Vogue Australia in 1985 and was editor in chief from 1999 to 2012. She lives in Sydney, Australia.
